

Warehouse Picking and Put-away

The MDP (Mono-Direction Processing)
Warehouse Picking and Put-away

OUR ITEM BIN MANAGEMENT CAN:

- Utilize your mobile device in the warehouse for picking and put-away
- No external apps needed, everything maintained within Business Central
- Full customization capability
- Easily access any warehouse documents that are still outstanding
- Visibility for the warehouse user to see what items they're picking and putting away

If you have any questions regarding this app,
